CARNIVALE HOSTS SPECIAL ALLERGEN-FREE DINNER JUNE 29

Lisa Williams, of Lisa Cooks Allergen Free, joins Mark Mendez, Executive Chef of Carnivale, to host a complete, allergen-free dining experience at 6:30 p.m. Monday, June 29 at this Nuevo Latino hot spot located at 702 West Fulton Street, Chicago, Illinois.

As the growing number of Americans with food allergies tops the 12-million mark, the need to accommodate this vital market increases. The evening's multi-course dinner is not only **gluten-free, but free of the other 8 most common food allergens: wheat, eggs, soy, dairy, fish, shellfish, peanuts, and tree nuts.**

The family-style, group dining experience, including dessert provided by Swirlz, is priced at \$50 per person and requires advance reservations. **For more information and reservations visit www.LisaCooksAllergenFree.com or call 773-665-0430.**
